Reason For Allowance

Claims 2, 4, 7-9, 11, 15, 17-55 (renumbered 1-46) are allowed.

The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination fails to teach the claimed subject matter of improving managerial workflow process by modeling work processes by incorporating concrete decision classes in the flow. Specifically, claims 2, 7, 17, 21, 30 and 46 are and 13 are directed to generating concrete decision classes by customizing them, providing network whose nodes are abstract in decision situation, representing choices are modeled by concrete decision classes and by instances of those classes, constructing a computer based process model for each and more work process and providing at least two decision roles support participation for one or more in decision making process. Therefore, the claimed invention improves workflow process by applying computer based decision model in achieving higher performance and speed up the process to reduce unreliability.

The Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
